Dear Sir/Madam,

Subject: Reference letter to Mr. Shivakumar Madayya

I am Sandeep Rajan, working at Credit Suisse Group as a Business Engineer in Zurich, Switzerland. I was born and brought up in Mysore, India and I have been practicing Yoga for the past 12 years.

I was a student at Maruthi Yoga Kendra, Mysore from 1994 till 2002. During these years, Shivakumar Madayya has taught me various forms of Yoga. His persistence and dedication in his teaching methods played a significant role for my entry into the District and State level Yoga Championships.

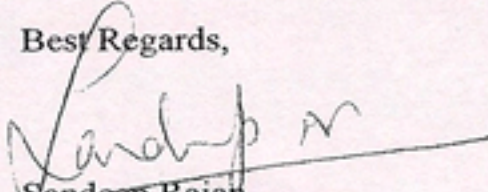

Shivakuma's unique and scientific methods of teaching *Hatha* Yoga was an attraction for all the students at our school. His astounding Yogic postures were a great stimulant to learn this ancient art for both young and old. He had good relations with his superiors and students and was very popular as a teacher.

Shivakumar was a celebrity in the town for the laurels he earned as a Yoga performer. He has won numerous National and International level Yoga championships and was extensively covered by the media.

I would like to take this opportunity to thank Shivakumar for his continued dedication, performance, and commitment in the field of Yoga.

Please do not hesitate to contact me if you need any clarifications in this matter.

Best Regards,

  
Sandeep Rajan
